

Greetings Alaska NYI, Youth Workers, and Pastors,

NYC is a powerful youth event that takes place every four years and provides a unique opportunity for high school students from across USA and Canada to be united in a time of worship, teaching, and community service. At NYC, our students will experience...

- Ministry With Others community service projects that impact the host city
- Plenary sessions featuring engaging speakers and creative artists
- Worship services led by a skilled worship band
- Live concerts featuring top Christian recording artists
- Daily teachings that challenge and unite students
- Interactive experiences designed for group discipleship and creative learning
- Recreation Hall with individual and group activities, games, and exhibits
- Christian fellowship with students from all over the USA and Canada

*I believe there is no other event that offers such an amazing God-filled time where our students will experience spiritual growth, renewal, and invigoration.*

NYC 2026 is being held in Salt Lake City, UT on July 1-5, 2026. This packet contains an event overview, registration links, budget and payment information, and preliminary schedule. We have set a goal of 75 teens and 15 adults from the Alaska District. For this to happen, I need your help:

1. PRAY...for your teens and youth sponsors of the Alaska District. Ask God to make the impossible happen.
2. RAISE FUNDS... begin now helping your youth and their families get the funds necessary for this epic event.
3. PRAY...for the event, leaders, planning, and most importantly, God's outpouring of the Holy Spirit.

Go to [www.nazareneyouthconference.com](http://www.nazareneyouthconference.com) and watch the videos and hear the stories of those who have experienced this event. Show these to your students and congregation. Feel free to contact me if you have any questions.

*"The whole earth is filled with awe at your wonders; where morning dawns, where evening fades, you call forth songs of joy." Psalms 65:8*

Filled with Awe at His Wonders,

Dennis Linnell, District NYC Coordinator
